

IMPORTANT UPDATE

We regret to inform you that after much consideration and evaluation, we have made the difficult decision not to proceed with the U12 and U13 tour this year.

Due to restrictions surrounding suitable playing fields and time constraints, we have encountered challenges that make it unfeasible to organize the tour in a manner that meets our standards and expectations. We understand the disappointment this may bring, especially to the young athletes eagerly looking forward to the tour.

While this decision was not taken lightly, please rest assured that we are exploring alternative opportunities to provide engaging and enriching experiences for the U12 and U13 teams. We remain committed to supporting their growth and development in the sport.

We appreciate your understanding and continued support during this time.

Thank you for your understanding.
